Rustic Hills has been created to provide the finest in recreational and entertainment facilities close to home. The focal point of the community is the Rustic Hills Country Club.

Gracefully curving streets wind their way through one of Ohio's most beautiful areas. The many sparkling lakes, natural forest, and rolling hills add to it's rustic beauty. There are 344 of these scenic homesites.

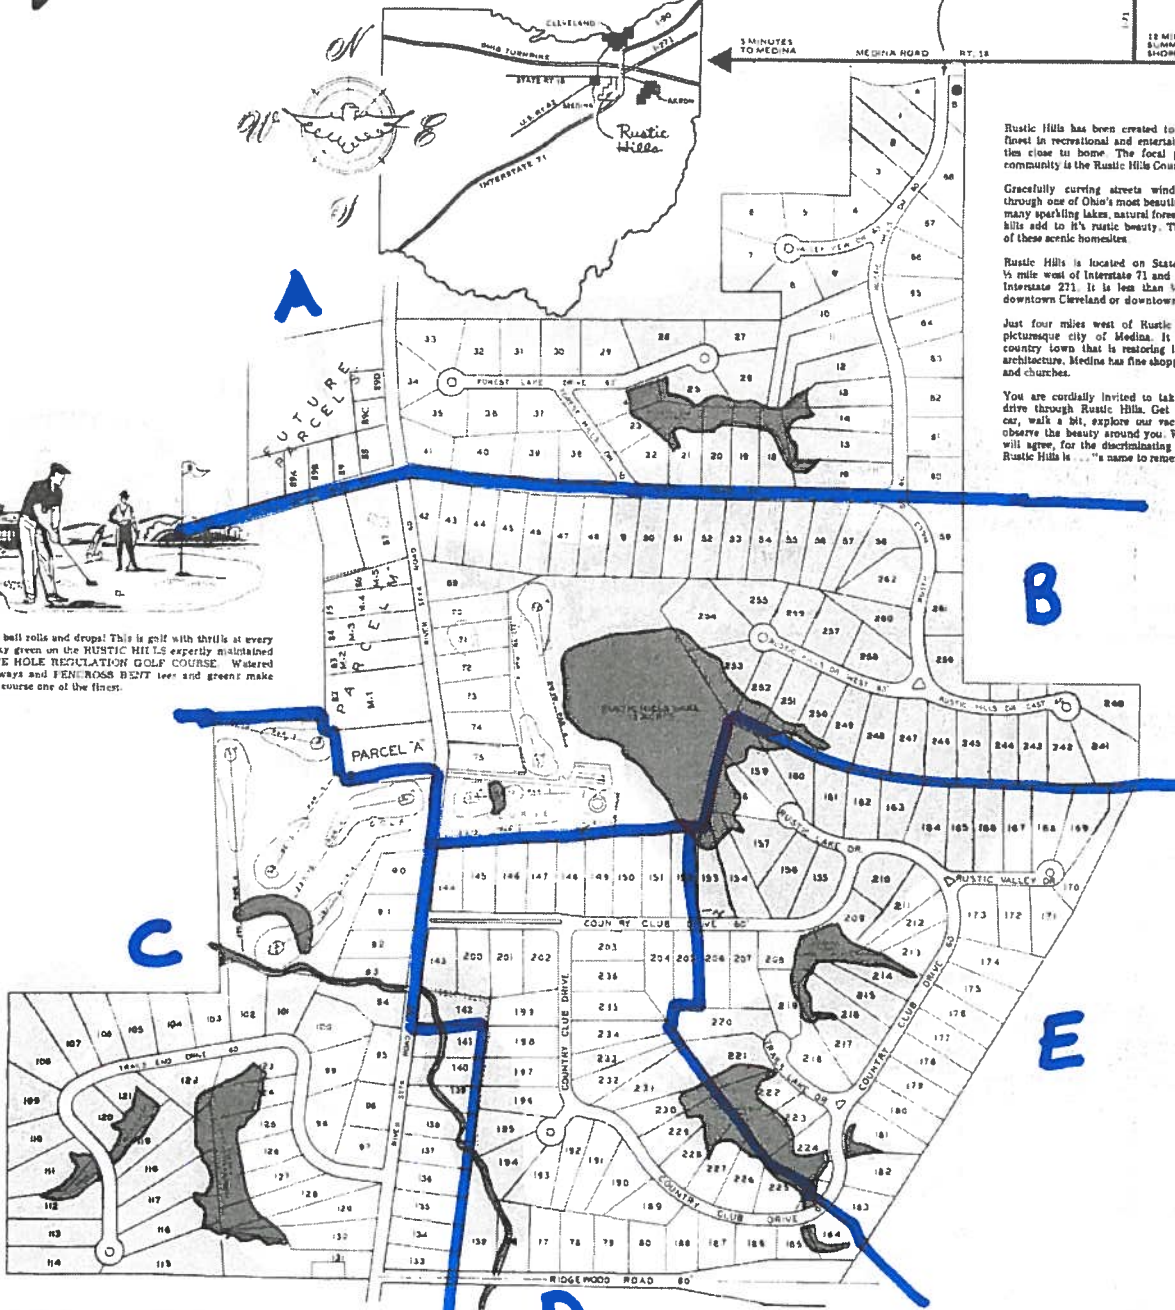

Rustic Hills is located on State Route 18, 1/2 mile west of Interstate 71 and 2 miles from Interstate 271. It is less than 1/2 hour from downtown Cleveland or downtown Akron.

Just four miles west of Rustic Hills is the picturesque city of Medina. It is a quiet country town that is restoring its' Victorian architecture. Medina has fine shopping, schools, and churches.

You are cordially invited to take a leisurely drive through Rustic Hills. Get out of your car, walk a bit, explore our recent lots and observe the beauty around you. We think you will agree, for the discriminating home-buyer, Rustic Hills is ... "a name to remember."

The ball rolls and drops! This is golf with thrills at every tricky green on the RUSTIC HILLS expertly maintained NINE HOLE REGULATION GOLF COURSE. Watered fairways and FENNEROSS BENT tee- and green- make this course one of the finest.
